

Personal Property Inventory Exercise

1. List everything you own.
2. Put a happiness/replacement value on everything.
3. Mark anything that you have not seen or touched for six months.
4. You can group inexpensive consumable items – clothing, dishware, and paperback books are examples.

Sample chart

Item	Amount	Access
Large flat Brazilian bowl	\$ 500.00	
Two paper Viet dragons	\$ 150.00
